2. Report on Spur Road Trail – Bill reported that he was waiting to hear from MDT either today or tomorrow and that he would be speaking with Jim Lynch about the trail tonight at the Highway 191 Safety meeting; Bill stated that he would like to tell him that 64 is just as bad. Lastly Bill informed the Committee that he told Greg to go out to bid and to include the Towncenter portion.

3. John suggested that we insert the trail survey in the BSOA Annual Meeting packet.

4. Committee Reports

- a) **Maintenance** – Bill suggested that we get a crew in to fix the sluffing at Ousel Falls (Jonathan Forest Service). Pete stated that he would like to take on the huge fallen tree as a project. Bill noted that the tree may not be completely sturdy and that nobody seems to want to touch it or move it.
- b) **Donation Collection** – Pete is on top of the canisters and he his going to call Josh to start installing them. Pete also suggested perhaps a wall mounted version of the canisters would be helpful
- c) **Finance/Budget/Grant Writing** – John Leeper informed the committee that we did not receive CTEP funding even though we were promised the money at last year's meeting and the minutes reflect this.
- d) **Spur Road Trail** – See beginning of Minutes.

5. New Business – John brought up the poop chute and stressed that with this new Lone Moose developing, we need to stay on top of the situation and maintain the trail.

6. Next Meeting – The next meeting of the Trails Committee will be Wednesday, August 22, 2007 at 9 AM in the BSOA conference room.

Meeting was adjourned at 10:10 AM.
