

Buy a Bridge Plaque

Show your support for Big Sky's growing trail system by adding a plaque to an Ousel Falls bridge! A tax deductible donation of \$50* per plaque to the Big Sky Community Corporation along with this completed form is all you need to add your inscription. Future generations will recognize you as an active participant in the creation of the Big Sky experience. The BSCC is a 501(c)(3) non-profit organization which exists to promote, acquire, preserve, and maintain land, parks, trails and easements for the use by the people of Big Sky and the general public. Your generous contribution will help us continue to provide quality trails such as Ousel Falls, along with helping us add new trails to the Big Sky area.

**Additional Contributions Welcome*
